

The Springs Pickleball men's and women's 8-week fall partner leagues start October 31st and Nov 1st!

How do the leagues work? Each league will have 12 teams or 24 total players. During the eight weeks, you will test your doubles skills with the same partner. Each week teams play a match of 3 games to 11 points against 2 different teams (6 games total). The scores for each game are recorded and the win-loss standings for each team are updated after every week. After 7 weeks the standings are finalized, and teams are seeded into a Championship Week tournament during Week #8. If you or your partner aren't able to make it one week, you will need to find a substitute of equal ability.

The total cost for the league is \$90 for members and \$110 for guests and includes the court time.

When you sign up below you are signing up just for yourself, but including the name of your partner. If you need to find a partner, leave it blank and we will help you find a partner.

The men's 3.0 - 3.5 league will take place on Monday nights from 5:30 pm - 7:15 pm
